### Kapitel 4: Died Love

Died love

You know my words  
But do not answer-  
I'm waiting for your words.  
I say nothing  
Because I still waiting.  
I lost my hope...  
I'm crying...  
I'm laughing...  
But not with you.  
I'm searching...  
I'm waiting...  
Do you know why?  
Hopeless...  
I'm dying...  
You come to me.  
„It is too late.“, I said.  
„No. I has found the answer.“, you said.  
Too late...  
I lost all hope...  
But you love me more  
Than I want to know.  
„I love you.“, you said.  
But I did not hear  
These words.  
I die...
