## Mighty God in Hell

Mighty God,  
that you're in hell.  
Rule us all, deliever the Pain.  
Never bring us into the brightest realms.  
Never shall we feel some fear, never shall we disappear.  
You're the order,  
You're the Pain.  
You're the Pleasure, which drives us insane.  
Your words are our laws,  
Heaven shall burn.  
Hell will rule,  
Death will burn.

~You shall judge, not forgive. Now and forever, Anem.~
