Kapitel 4: □□□

"So... you two had sex on the beach?"

Nichkhun's face turned red when Junho suddenly approached him while he was reading a book. The other boys were playing in the water. Nichkhun turned his head with an embarrassed grin to see his best friend smile at him and he sighed.

"Yeah..."

"How was it?"

"Very nice, you know, Jay- ... WHAT? Junho! What the hell, do you wanna die?!"

Junho's grin didn't falter (even when Nichkhun hit him with Taecyeon's shirt) and he sighed.

"Finally... You know, I had a hard time trying to get you two guys together... but all the hard work finally paid off, I think."

"Wait... all of this was part of your... plan?"

"Yeah, I'm a genius right?"

"ALL of this?"

"Uh, well... I didn't know that Jay would try to- OUCH! Stop hitting me! Ya! It's not my fault!"

"What are you two doing?"

"Chansung!"

As soon as the maknae had reached their towels Junho quickly wrapped his arms

around the younger boys shoulder to get a shelter from Nickkhun. The older boy grinned at the sight of the two youngest.

"You two should get a room, really."
