There are more than thousand for one

Can you imagine a time when your dreams come true?

The birth of a man.

The truth of a dream.

This is a never ending story of a man paid for all with pain and fate.

We all fall on knees of his story of glory.

We will live our life.

He steals sunsets in asia and goes into the wild world.

This man is amazing.

Yes he fell into the crowd and standing on top of his fans.

Are you ready for him?

(Say) YES YES
Welcome to the family.
We are believers.
(Say) YES YES
This is a cult.
He was never closer to us.
This was amazing days.
We jumped together and touched the sky.
We will never forget.
He will never regret.
One day we will meet again.
