

See me, love me

Von Tomopi

I can see this gekisekitaru eyes
Right in front of me they turn cold
I can hear your kodou
Slowing down

Why did you do that?
You knew he didn't love you
You knew he played with your heart
And still you tried

Yesterday, the last sayonara
You cried silently in my arms

What is ai?
Why does it hurt so much?
I feel this pain
Stinging in my heart

I'm begging you
Please see me instead
I'm always by your side
I could never leave you alone

Why don't you hear my silent kansei?
My heart cries
Seeing you broken like that
I don't know what to do anymore

Yesterday, the last sayonara
You cried silently in my arms

Yesterday, the last sayonara
You cried silently in my arms

So~

Ich hoffe das hört sich gut an.

Ich habe keine Ahnung ob die japanischen Worte stimmen, ich habe ein japanisches online Lexikon benutzt.

gekisekitaru -> einsam

kodou -> Herzschlag

sayonara -> Leb wohl

ai -> Liebe

kansei -> Schrei
