

# Eyes of lie

## FF-Wettbewerb

Von TheManWithTheBarret

### Kapitel 1:

I meet her a long ago  
i wanna the longest journey with her to go  
Her heart won't beat for me  
But my Heart always her's will be

refrain:  
I look in her eyes  
bright as the Sun  
My heart beats in Love  
but now she's gon'  
but i still listen own lies

She giv's my all I need  
Wanna tell her how I fell  
Wirte all down to a sheet  
I read it to her on my knees

refrain

Only a little smile  
all what a got  
her whole heart was rot  
Loveless she throw it to the pile

Refrain

No one can stand it  
but I can't withouted it  
I lie to myself  
to keep my heart save
