Kapitel 2: in hospital

Yugi finally arrives at the bathroom and opens the door with a weird feeling inside, as if he knew what happen.

"Ryou? Are you....Oh my gosh!"

He stares at Ryou's body laying in his own blood....pale...not moving...just being there.

** Yugi you ahve to call a doctor..quick!**

Yugi just stares at Ryou and can't believe it.

** Yugi?...Are you listening? Yugi?! YUGIII?!**

/why....is he? is...he..?/

He runs over to the body of the yound boy searching for some pulse.

/he is alive..../

Yugi takes of Ryou's shirt pulling it on the sloshing wound, with the other hand he searches for his mobile phone calling the police and the doctor.

The teacher is wondering what happened to Yugi and Ryou when she sees the ambulance arriving.

The students look curious out of the window, watching the doctors running into the school to the bathroom where Yugi is waiting.

The teacher opens the door and sees Ryou on a stretcher looking like a corpse.

Anzu and some other students rush by and the girls stares at their class mate almost screaming.

Little Yugi was following the men with the ring in his hands looking furious at it.

Jounouchi, Honda and Anzu run after Yugi.

"Yugi!! What the hell has happened!?" Jounouchi asks.

"...Don't know..I was to late..definetly to late...."

stares down to Ryou's millenium item.

"I'm sure..he's got something to do with it.....how could he....."

Yugi almost starts to cry and covers his eyes.

The whole group went into the abulance car going to hospital.

Anzu can't watch Ryou like this and has also tears in her soft blue eyes.

" How is he?" she asks anxious.

"Not so good he need blood...he lost to much blood" The man was searching for Ryou's blood type results.

" He's 0+ ...does anyone of you have this blood type??...hurry up or he'll die before we arrive in hospital" He looks at the kids.

Then Jounouchi raises his hand. "Me....I've 0+"

He looks worried at Ryou and pulls up his sleeve.

" ok boy lay down next to him.....do feel alright? What's your name?" asks the doc,preparing a needle.

"Jounouchi Katsuya sir....I'm fine..hurry up"

Jounouchi breaths peaceful and watches his blood flowing into Ryou's weak body.

// Come on...don't die ok?//

In hospital Jounouchi and Ryou are put in a little room which is filled with two nurses,a doctor and Ryou's friends.

When Ryou's condition finally become solid the doc leaves the room with the nurses.

Yugi goes to Jounouchi"Are you fine?....That was very kind....you saved him"

Jounouchi grins"Hey he's our friend right? I suppose he would have done the same for us...but I'm curious why he tried to kill himself"

After a few minutes Ryou opens his eyes,looking weak around him.

"I'm...alive...?" with a weak voice watching his mates.

"Ryou! For God's sake!!! you woke up!" Anzu almost starts to cry.

"Why Ryou...why did you...tried to..?"Yugi asks with a tumbling voice.

"Not of importance....." shuts his eyes.

"Oh it is! IT IS!! You know we are friends! Why didn't you come to us telling us your problems!? Why you wanted to kill yourself ..like this!? TELL ME! RYOU!"

Yugi cries and leans over him.

"...I...just.....I just... wanted" Ryou couldn't bring out more words.

"Was it..his fault?" Yugi shows him the millenium ring which twinkles in front of Ryou's eyes who startet suddenly to cry too.

(yugi)

//Damn ...how dare you to hurt Ryou like this!? What did he do to? Wasn't he obedient enough??//

Aibou....please calm down....we should take the ring with us..trying to protect Ryou of him.

//You are right//

Yugi wants to turn away with the ring."We should go now..you are weak ...you need a rest"

-Bakura's ghost stands near to Ryou's bed looking at him asking himself why this all happened-

Ryou opens his eyes and looks at Yugi."w..wait! Wait a second!"

Yugi turns around again." hm?"

"Give me the ring,yugi...please" he mumbles.
The eyes of his friends look shocked.
"What!? What for!? So that he can hurt you even more!?"

The body of the hikari is shaking, carves his hands into the blanket.
"please....I need to ...talk to..him"

"but.." **Aibou....I think that's fine...they should talk**
//sure?...I'm worried about him//
** He is in hospital...under control..don't worry Yugi**
Yugi walks back to Ryou giving him the item.
"YUGI!" Their friends are even more surprised now.
"It's fine...." yugi looks at Ryou's bed,then in his eyes." it's ok...we'll come to vist you tomorrow."

Ryou tries to smile. "Thanks...all of you..thank you."
Yugi and his friends leave with weird feelings.

Bakura goes over to his hikari and looks at him without any emotion in his face.
//so...you wanna talk.....what about?...stupid little kid//

Ryou looks to the ghost near him,then looks back to the ground.
// ...why do you hate me that much?....I'm a human being ...you was one to....why you are so cruel?
...please tell me everything about you! I want to know more about you and your past//

//...Why..why why....stopp asking! it's just like it is! Accept it! ok? You don't need to know anything about me!//

Ryou's hands starts to shake again.// please... we don't have to agrue all the time....please explain everything to me. We can talk about everything.//

Bakura leans over him and stares in his dark brown eyes.
//Listen! There is nothing to talk about!...JUst leave me alone! That's not your problem!//

//How cruel....must have been your past that you are so scared to tell anyone about it?...it is my also my problem! You are using MY body! I have the right to know what the heck are you doing with me!//

Bakura's eyes are opened wide. *// Do you feel sorry for me?....You think I can't handle with my past?....HOW DARE YOU!//*
Ryou looks scared at him and doesn't move. // no...no it's not like that!...well.. no... you're right that's what I think. That you are hurt very bad! Someone hurt you and you are longing for revenge!!//

Bakura walks over to the window and looks outside to the rainy streets.
Sighs and looks over his shoulder to his hikari.
// Finished?//

The young boy looks puzzled at him and closes his eyes.

//yes..think so....you are not going to tell me anything...not now...but maybe anytime.
I'll 'listen if you want to tell me anything..

when you are ready to tell me anything about your past.You will see...it feels so good
to talk with someone about problems//

//Stupid little bastard....it's meaningless what had happened to me.//

Bakura disappears again in the item and silence fills the room.

Ryou looks to the place where Bakura was standing before with his tired, sad eyes.

do you hate me?.....please.....do you hate me?

Silence.

//Please...TELL ME! DO YOU HATE ME?!....why do you hate me so much.....do you like
to see me suffering?//

*//Shut up!....don't play on my nerves!....you are just there....something I need...I don't
care about your soul//*

//You are so cold hearted....were you ever in love with someone? did you ever feel
pleasure?..I can't believe that you are so dark!//

// Idiot! I'm the darkness! I'm your Yami!//

Ryou curls in the bed.

//...poor you....//

*//What!?!//*Sounds very surprised and looks to the second room in Ryou's heart
where his hikari is.

//I feel sorry for you.....you are so lonely....full of hatredred...you are the one who
suffers...not me...I pity you.....I wish I could take some pain of your soul...just to see
you...just for a moment really happy//

Silence.

Bakura stares at the other door,then starts to giggle.

Then starts to laugh out loud.

*// Do you really believe this shit you are talking about?!...YOU pity ME!?!....stupid
guy//*

//You hide you past ..you don't want to talk about it..so ...what are you scared of?
when you are not suffering..tell me about it!//

Bakura's starts to fish vor arguments.

//....shut up//

//So I'm right...//

//No! You aren't!//

He gets furious and kicks against the other door.

Silence again.

// you aren't...you aren'T DID YOU LISTEN!?!//

....Ryou opens his eyes and caress the ring.
we will talk later..I'm tired Yami

Bakura returns to his room and smashes the door behind him.He walks around furious,after a while he sits down and starts to think about Ryou and his life.
Ryou falls asleep after a few moments with a sad view on his face.

Two days later Ryou is allowed to leave the hospital and go home. His Yami didn't talk to him since their last conversation.

Even the sun shines and a light wind touches Ryou's face he can't be happy.....no he feels lonely again...especially now when his yami stopps talking to him.

//..please.....say something!....are you still there?...are you mad at me? I ..I just wanted to help you//

walks along the streets and comes to the toy shop of yugi's grandfather.

// I don't need help...shut up and stopp playing on my nervs.//

He has finally answered and when they pass the shop he suddenly takes over the control of the body.

/hmm...this could be my chance/....Bakura smirks and walks into the shop, tries to be as gentle as possible.

Ryou sits in his heart chamber and starts yelling at his yami:// don't even think of it! leave yugi alone! don't come near to him! if you hurt him I ..I will....//

He tries to get back the control.

// what will you do? hrhrhr there is nothing you can do! I'm just an evil ghost...living in an ancient item...you know it. don't come in to my way//

Bakura walks to the grandfather and asks politely if yugi is home and that he wants to make some homework for school with him.

The old man starts to smile and tells him that yugi isn't home yet but that Bakura is able to wait in yugi's room for him.

The yami nods and walks up the stairs into yugi's room.

// how childish.....this room is full of toys and warm colours...disgusting//

he looks around but just finds even more toys and decides to sit down and wait for him.

//yami..listen...I 'll do everything you want but leave my friends alone!//

lays down on the bed and stares through the window.

// you know that I want the items... there is nothing else you can do ...you can choose

between getting the items for me or let me get them by my own.//

Ryou goes down on his knees.//don't use my body for it.....maybe we can create a body for your own ..just for you?//

//what are you mumbling about foolish freak...that's impossible...you want me to have my own body?? wouldn't that cause even more problems?//

He closes his eyes and waits...listens to his Hikari.

//is it really impossible?....isn't there something like a magic trick?a black magical ritual?....//

His soul appears near to bakura's and watches him.

//hmm... well.. you are not that dumb I thought...but I don't know how to do it...I need more informations!//

Looks at his hikari a bit surprised.

The charming boy smiles happily and nods. // let me do it for you! I will get the informations you need! I promise....but leave my friends until you have your body....deal?//

/ ...I think with an own body he will be easier to get...easier to control....I have the responsibility for him...I have to be careful/

//hmm..// Bakura thinks through it and a little silence comes between them.

//deal...// Then he immediately goes back to the ring and gives the control back to Ryou, who sighs and waits for Yugi because he missed school and needs some informations what had happened.

Yugi walks into his room and was surprised to see Ryou sitting on his bed. " hey Ryou! you're out of hospital? Are you fine?" smiles at him and goes over to him.

Ryou smiles at Yugi." yes I think I'm fine again. May you tell me about the stuff that happened in school? did I miss something very important?" /just wait until I have my school stuff then we will go to the library, ok?/

/hurry up,kid/

Yugi takes out some photo copies for Ryou. "here you are ^^ well you didn't miss anything important. " then he takes a look on Ryou's arms which were full of scars. His sight became very sad. " they won't heal anymore ...right?" he whispers to him.

The white haired boy just nods. " well.. I have to go now .. thanks for the photocopies yugi. See you tomorrow in school" he gets up and looks down to the ground. / they will never heal again .../

/ your own fault! tses!...you're .. so stop crying!/

/ I'm not crying.../

Yugi does not stop him. // poor Ryou.. I hope he talked to his Yami//

When Ryou later arrived at the library he takes everything about dark magic, voodoo and other kinds of magic. He stays there for some hours and takes notes, searches for something like soul transplantation, reincarnation.

/it must be possible!/

/ hehe you just want to get rid of me right?! you can't stand it anymore/
/maybe but that's not all... hey what about that!/ he pointed on some phrases.
"reviving bodies and soul extracting(exorcism)"
/ sounds dangerous ... your body could get crushed...is it worth to do that?/
ryou does not answer and takes some books with him to his flat.
/ we just have to read through all of this .. maybe you should do that yami .. you know
more about dark magic and that stuff than me./
